

Global Rating Score: Presentation

*This score relates to an **assessor's professional judgement** of the **overall performance** of the applicant at a particular station. A score of 1 in this domain should be discussed between both assessors at that station and the convener of the selection centre, to decide whether performance was so unsatisfactory that the applicant should be vetoed on this performance alone.*

1	Performance below standard in all respects or significant action demonstrating dangerous / worrying behaviour e.g. unstructured presentation, exceptionally poor communication skills, demonstrated inaccurate or exceptionally poor knowledge of subject area
2	
3	Performance borderline e.g. limited structure to presentation, poor communication of subject area or poor knowledge of subject area
4	
5	Performance typical e.g. fluent, structured presentation, with accurate knowledge demonstrated in most subject areas
6	
7	Performance above standard in most respects e.g. fluent, well-structured presentation, with accurate knowledge of subject area
8	
9	Performance above standard in every respect e.g. exceptionally fluent, well-structured presentation with comprehensive knowledge supporting subject area and on further follow-up questioning
10
